

#### Standard equipment Caravelle Trendline.

#### Design

16-inch 'Clayton' alloy wheels

H7 halogen headlights

Radiator grille with two chrome trim strips

Body colour bumpers, exterior mirror housing and door handles

Heated electric folding exterior mirrors

Chrome-coloured "Caravelle" badge next to the side turn signals

#### Variant

Long wheelbase

2.0L TDI340 110kW engine

7-speed DSG transmission

Front-wheel drive

#### Cockpit

Dash panel with open stowage compartments, drink holders and lockable glove box

Height adjust and lumbar support for driver & front passenger seat, height and longitudinal adjustment 2 USB-C ports

LED interior lighting with two reading lights in the roof console

"Bricks" cloth seat upholstery in Titanium Black Carpeted floor

Sun visors with vanity mirrors

#### Infotainment and connectivity

"Composition Colour" 6.5" audio system with USB/ AUX/SD input, Bluetooth and four loudspeakers

App-Connect~

#### Passenger compartment

Sliding door left and right with sliding windows Power latching for sliding doors

2-seater bench seat, 2nd row, with child seat anchors

2-seater bench seat, 3rd row, with child seat anchors 3-seater bench seat, 4th row

LED interior lighting

#### Luggage compartment

Lifting tailgate with rear heated window and wiper Power latching tailgate

#### Air conditioning and sun protection

"Climatronic" 3-zone air conditioning system
Sun blinds in passenger compartment
Heat-insulating windows

#### Driver assistance systems

Electromechanical steering

Driver Fatigue Detection\*

Cross Wind Assist\*

Electronic Stability Programme with brake assist system, ABS, traction control system, electronic

differential lock and Hill Start Assist\*

Daytime running lights

Automatic headlights with rain-sensing wipers

Front Assist with City Emergency Brake (CEB)\*
Blind spot Monitoring (Side Assist) with Rear

Traffic Alert\*

Multi Collision Braking System (MCB)

Front & rear Parking Sensors\*

Rear View Camera\*

Electric childproof lock for sliding doors, lockable from the front cabin

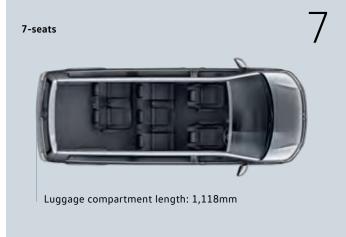

<sup>\*</sup>Safety technologies are designed to assist the driver, but should not be used as a substitute for safe driving practices.

<sup>~</sup> App-Connect is compatible for selected apps with the latest smartphone versions of iOS and Android, active data service, optional connection cable (sold separately).

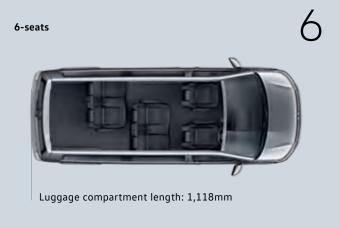

## From 4-seater to 9-seater.

The versatile seating combinations in the Caravelle provide maximum flexibility - a selection of possible configurations is shown here. And the Caravelle still provides plenty of room for luggage in a matter of moments.

## Arrive Safely.

### The modern driver assistance systems.

Driving the Caravelle 6.1 offers high levels of safety and peace of mind, thanks to a host of standard and optional driver assistance systems. Whether you require assistance when parking, driving, changing lanes or towing a trailer, the latest assistants monitor the situation, taking preventative action in critical situations.

**Driver Fatigue Detection\*.** Uses visual and audible warning signals to recommend that the driver takes a break as soon as it registers driving behaviour that indicates fatigue.

**Seatbelt warning.** Visual warning when the engine is started and an audible warning is emitted, if the driver's seatbelt is not fastened.

**Airbags.** Driver & passenger front, side and curtain airbags provide the best possible protection in the event of head-on or side impacts.

**Cruise Control with speed limiter.** At 30km/h and above, the system maintains the set speed throughout uphill and downhill inclines when activated.

**Anti-lock Braking System (ABS).** Prevents the wheels from locking and thereby maintains manoeuvrability.

**Electronic Stabilisation Program (ESP).** Standard feature that prevents under- and over-steering through targeted braking of the individual wheels.

Traction Control Systems (TCS). Prevents wheels from spinning excessively.

**Electronic Differential Lock (EDL).** Distributes the engine torque to the tyres without slippage.

#### Front Assist with City Emergency Braking\*.

Uses a radar system to detect situations where the distance to the vehicle in front is critical and reduces the vehicle's stopping distance. In dangerous situations, the system alerts the driver using visual and acoustic signals, and with a warning jolt of the brakes. | C |

#### Adaptive Cruise Control (ACC)\*.

Automatically adapts the vehicle's speed to that of the vehicle driving in front and maintains the distance set by the driver.  $\mid C \mid$ 

#### Park Assist\*.

Park Assist aids positioning into parking spaces. When reverse is engaged, the vehicle assumes control of the steering. All that's required of the driver is to operate the pedals, whilst keeping a good lookout.  $\mid$  C  $\mid$ 

#### Crosswind Assist\*.

The system is a sub-function of the Electronic Stabilisation Program (ESP) that helps dealing with high crosswinds by automatically activating the brakes if needed.  $\mid$  C  $\mid$ 

#### Lane Keep Assist\*.

Countersteers if a lane is left unintentionally while alerting the driver at the same time by using a warning tone and information in the multifunction display. |C|

#### Sensor-Based Side Protection\*.

As part of Park Assist, Side Protection monitors the vehicle's sides and alerts you with visual and audible warnings if you're getting too close to other vehicles, pillars, walls or pedestrians. | C |

#### Multi-Collision Braking.

Triggers braking after a collision, with the aim of preventing secondary crashes, activated when two independent sensors detect an accident. After a short delay, the vehicle begins a phased braking action down to  $10 \, \text{km/h}$ , during which the driver can take over at any time.  $\mid \textbf{C} \mid$ 

#### Electromechanical power steering.

The speed-dependent steering with active reset improves your driving feeling and safety and achieves steering precision. | C |

#### Hill Hold Assist.

This prevents the vehicle from rolling back on inclines, making it easier to start off on uphill slopes.  $\mid C \mid$ 

#### Rear View Camera (RVC)\*.

Simplifies parking by showing a limited view of the area behind the vehicle on the display of the radio. Additional guidelines help the driver manoeuvre into the space. | C |

#### Front and Rear Park Distance Control (PDC)\*.

Emits audible warnings when obstacles are detected in front of or behind the vehicle when parking, and also provides a visual display of the vehicle's distance from these obstacles. | C |

#### Blind Spot Monitoring with Rear Traffic Alert\*.

The Blind Spot Monitor with Rear Traffic Alert system supports the driver in assessing and avoiding dangerous situations, especially in critical situations, e.g. city and heavy traffic. The Blind Spot Monitor detects cars and motorcycles in the driver's blind spot and highlights these vehicles via a LED indicator in the door mirror. Rear Traffic Alert warns the driver of approaching traffic at the rear of the car when reversing via an audible warning followed by a visual message in the Optical Parking System (OPS). | C |

Images shown are for illustration purposes only. Dimensions shown are for Caravelle Long wheelbase only. Short wheelbase is not available.

Full vehicle specifications are available at www.volkswagen.com.au

#When fitted with Volkswagen Genuine Tow Bar. Towing capacities are applicable to Volkswagen Genuine Accessory Tow Bar. Towing capacity figures are maximum figures and actual towing capacity depends on factors including the laden mass of the vehicle, driving conditions and fitment of any accessories. Volkswagen Group Australia does not endorse or will not be held liable for any claim, loss or damage arising from the use or fitment of electronic trailer brakes.

<sup>^</sup>The Start/Stop system is designed to reduce fuel consumption and CO2 emissions. It achieves this by automatically switching off the engine while the vehicle is stationary and then starting it again automatically when the driver wants to drive off. There are certain operating conditions where the Start/Stop system is deactivated (e.g., during engine warm-up), please refer to the owner's manual for full operating information.

<sup>\*\*</sup>Fuel consumption figures according to ADR 81/02 derived from laboratory testing. Factors including but not limited to driving style, road and traffic conditions, environmental influences, vehicle condition and accessories fitted, will in practice in the real world lead to figures which generally differ from those advertised. Advertised figures are meant for comparison amongst vehicles only.

<sup>1.</sup> The Unladen Mass (UM) includes 10L of fuel, vehicle fluids and no occupants. Figures quoted are for base model vehicles only.

<sup>2.</sup> Payload figures determined by subtracting 'Unladen Weight' from total 'Gross Vehicle Mass' (GVM). A vehicle's final payload, given the different configurations, can only be determined by weighing the individual vehicle and comparing to the known GVM. Figures quoted are for base model vehicles only.

# **5 years**Unlimited Kilometre Warranty

At Volkswagen, we pride ourselves on the highest quality standards that come with German engineering.

We back this commitment with a 5 year unlimited kilometre warranty on all new Volkswagen vehicles<sup>1</sup>.

## **1 year**Roadside Assist

Every new Volkswagen comes with a 1 year Roadside Assist membership<sup>2</sup>.

That's 24 hour roadside assistance, emergency accommodation, car rental and towing as well as property and other assistance, all included for added peace of mind.

## Volkswagen

Care Plans

Volkswagen Care Plans³ have you covered for your first 3 or 5 scheduled services, providing you savings off the total Assured Service Pricing RRP across a wide range of models. It's convenient, hassle-free scheduled servicing easily available for purchase at your local Volkswagen Dealer.

## **Assured**Service Pricing

Assured Service Pricing<sup>4</sup> gives you the comfort to know the cost of your first 5 scheduled services, when servicing your vehicle at any authorised Volkswagen dealership.

Our Volkswagen dealers have access to the latest diagnostic equipment and tools. Plus, they use Volkswagen Genuine Parts® to ensure your Volkswagen stays a Volkswagen.

<sup>1.</sup> Conditions and exclusions apply, see https://www.volkswagen.com.au/en/owners-service/warranty.html. Your rights under this warranty are provided in addition to, and in some cases overlap with, consumer guarantees under the Australian Consumer Law and do not limit or replace them.

<sup>2.</sup> Volkswagen Assist (Roadside Assistance) Conditions and exclusions apply, see https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/roadside-assist.html

<sup>3.</sup> Volkswagen Care Plans are available for purchase at https://www.volkswagen.com.au/en/owners-service/service-repairs-parts/care-plans.html or from participating authorised Volkswagen Dealers for Eligible Vehicles and covers standard items as contained in each scheduled service interval only. The service intervals occur every 15,000 KM/12 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles, which are scheduled to occur every 20,000 km/15 months (whichever occurs first). These Care Plans can only be purchased prior to the first scheduled service and up to 22,500 km/15 months (whichever occurs first) for all models except MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles which is 30,000 km/15 months (whichever occurs first). The timeframe takes effect from when the vehicle is first reported in our system as 'sold'. Discount structure varies by model. For details of what is not included in a scheduled service, please refer to the program terms and conditions.

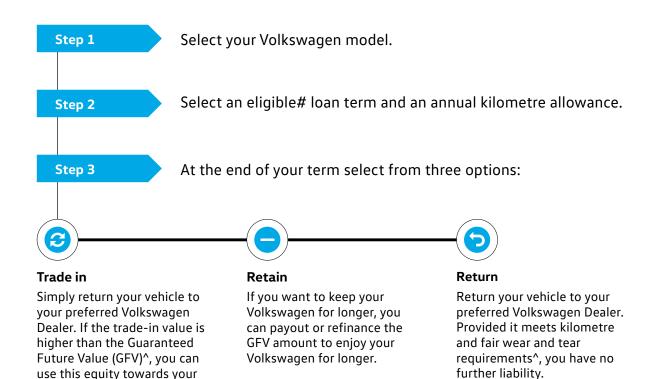

<sup>4.</sup> Volkswagen Assured Service Pricing is current as at the date the customer obtains a price from the Volkswagen Service Pricing Guide or from a participating authorised Volkswagen dealer and is subject to change without notice. Customers are advised to confirm current pricing on the Volkswagen Service Pricing Guide or with an authorised Volkswagen dealer on the day of each scheduled service. Volkswagen Assured Service Pricing applies to the cost of standard items in each of the first 5 standard scheduled services of your vehicle which are scheduled to occur at every 15,000 km/12 month interval (whichever occurs first) or for MY18 to current Crafter vehicles and MY21 and MY22 Amarok vehicles only, 20,000kms/12 month interval (whichever occurs first). Exclusions and conditions apply. For more details on the eligible models, pricing, items not included and for full terms and conditions, please see https://www.volkswagen.com.au/app/locals/service-pricing-guide. Volkswagen Australia reserves the right to at any time modify or discontinue the Volkswagen Assured Service Pricing program.

## Volkswagen Choice<sup>^</sup>

#### Guarantee the minimum future value of your Volkswagen

Naturally we understand that your Volkswagen represents a valuable investment, so we undterstand that you want to maintain it in premium condition. Volkswagen Choice^ is a finance program tailored to the requirements of Volkswagen owners by providing assurance around your Volkswagen's future value^, whilst offering simple monthly instalment financing options.

Whether you are selecting your new Volkswagen for business or personal use, you can choose the contract term that best suits your requirements. Enjoy the confidence that comes from having locked in a minimum value up front to be attributed to your vehicle at the end of your contract. There are also no account keeping fees with a fixed interest rate.

^Volkswagen Choice has a Guaranteed Future Value (GFV) which is the minimum value of your vehicle at the end of your finance contract as determined by VFS. If you decide to return your car to VFS at the end of your term, VFS will pay you the agreed GFV, which will be put against your final payment subject to fair wear and tear conditions and agreed kilometres being met. At the end of your term, you can elect to (1) trade-in; (2) return; or (3) retain the vehicle by paying the GFV owed to VFS at the end of the loan term after all repayments have been made. You will be liable for any loan contract deficit and additional charges apply if you exceed the nominated kilometre allowance and/or the vehicle is not in an acceptable condition. Fleet, government, rental buyers, hire car and chauffeur companies excluded. To see if this product is right for you, please see our Target Market Determination on our website.
